

Eastern Area Awards:

This year we have trialled a new awards programme in the Eastern Area alongside the Southern Awards. Members were encouraged to enter the Southern Awards and then individual awards were given out to Eastern Area Members to encourage people to enjoy their ponies in all disciplines. Awards ranged from show jumping to versatility to public ambassador to mares and geldings. Thanks have to go to Jaqueline Wharton for sorting out all the entry forms and also to all those people who sponsored classes and made it a fabulous presentation. I hope to see even more ponies forward next season so remember to record all your outings.
