Knightoncombe Blue Jay and owner Samantha Harris accumulated points both in hand and under saddle to win the 2013 competition. Sam was overjoyed to hear the result and said of their excellent year together that "2013 proved to be a year where Blue Jay finally had the chance to shine. Becoming a county show champion was something I had only dreamed she would achieve since buying her as a 6 month old moor bred foal. 'Blue' is the perfect example of how versatile the breed is not only qualifying for the Olympia Semi Final but also to compete in a huge variety of classes, thoroughly enjoying her hunting, being the perfect nanny to young ponies and speedy enough to win

a galloping race! The most wonderful thing about Blue Jay is that she just loves her work, so we always try to have as much fun as possible and I love her for it. A year we won't forget but who knows what 2014 will bring!"

This competition runs annually from 1st December to 30th November and is open to all ponies owned or used by an EPS member residing in the Southern Area (i.e. within the following EPS Areas: Devon and Cornwall, Exmoor, Dorset/Somerset/Wilts, Berks/Glos/Hants, Herts/Bucks/Oxon, South East and East Anglia . Points are awarded for both In Hand and Ridden events. Each entry costs just £5 and all entries receive a rosette.
