

EXMOOR PONY SOCIETY STALLION PARADE 2015

SENIOR SECTION

HARRIS 189/3 18 y.o. by 12/126 Hawkwell Hooligan out of 153/5 Netherwood Kittiwake by 85/34 Bracken Curlew.
Breeder Ms F O'Connell. **Owner** Miss J Shelley

'Harry' is a very good natured stallion being easy to handle and a well-mannered ride, both alone and in mixed company. He enjoys hacking and 'fun'/pleasure rides locally. Ridden on the moor, he observes wild ponies with interest but has passed them without resistance (to date!).

Harry lives out year round, sharing his fields with a mixture of other stock including geldings, youngstock and sheep as well as his 4 year old entire son 'Burrowhill Kidnapped Harvey' (as long as no mares present, he is happy) - another measure of his kind temperament.

FLYING BUTTRESS 171/12 16 y.o. by H56/1 Winged Bowman out of 49/32 Quickthorn by 12/94 Hawkwell Cock Robin
Breeder/Owner Mrs S Poulter

Born in 1998, Flying Buttress inherited his sire Winged Bowman's looks, substance and laid back temperament. That December he was best "up country" colt foal at the Exmoor Pony Society Foal and Youngstock Show and when only a yearling was Supreme Champion at the same show.

He has had many successes in senior in-hand classes, including Championships at the West Midlands Stallion Show, Three Counties Show, Dunster Country Fair, the Welsh Area EPS Show, and the Exmoor Breed Show. He was Champion Exmoor at the Royal Show in 2006 and Reserve Champion in 2007. At the 2011 Welsh Area Show he was Ridden Champion, won the Open Working Hunter and was Reserve Supreme and In 2012 he was Ridden Champion at Dunster Country Fair.

Flying Buttress has sired more fillies than colts and his offspring have done well in the show ring. They all seem to have inherited his friendly, laid back nature and bold outlook on life. In 2011 his daughter Maenad was best yearling at the Welsh EPS Show, Dunster Show and the Breed Show and was Reserve Champion to her sire at the NPS Championship Show at Malvern. Her full sister Faience won the 2 year old class at the Welsh show and the Breed show and was Reserve Youngstock Champion at Exford. At the 2012 Breed Show Faience was again Reserve Youngstock Champion, Maenad won the 2 year old class and the trio of Buttress and his two daughters were winners of the Breeder's Group. Maenad completed the hat trick in 2013, winning at the Breed Show for the third year running; while the same trio won the Breeders Group again. In 2014 Maenad was Champion Exmoor at 3 Counties Show and Reserve in-hand Champion to her sister who took Supreme at the Welsh Area Show.

Flying Buttress has lived out all his life at approximately 1,000 feet in rural Monmouthshire, high above the Wye Valley. Visitors are always welcome.

HEATHPOOL XENOPHON 93/40 12 y.o. by 93/19 Heatpool Penland out of 153/4 Netherwood Katy by 85/34 Bracken Curlew **Breeder** Mr A Copland **Owner** Miss M Cawley

Bred in the borders, Heathpool Xenophon has spent most of his time in the north of England siring foals for Herd 93 and local breeders. More recently he has moved down south and looking forward to continuing his duties in Devon. He is the sire of Annasach Bugatti who has marked himself out a real career in Endurance Riding – being the only Exmoor to complete the 80km distance.

DUNKERY GODWIT 78/147 10 year old by 21/48 Beinn Ghoblach out of 78/94 Dunkery Flamingo by H29/7 Waltersgay Sundew **Breeder/Owner** Mrs. W. Vint

Godwit is owner bred and stood at home producing Dunkery Whimbrel who won Exford Show in hand Championship as a yearling in 2009 and the Supreme Championship as a 3 year old and is unshown since. He also bred Dunkery Quelea who won Championship at Bath and West in 2012, before travelling to Wales to stand at Coed y Wern Stud for 2 years. On returning home he won the Reserve Championship at Exford in 2013 and In hand Championship in 2014. His son Dunkery Wigeon has had a great deal of success under saddle qualifying for HOYS and Olympia. Godwit has a good temperament and runs with his mares.

KIDNAPPED HARVEY 400/7 7 y.o. by 189/3 Harris out of H7/56 Murrayton Venus by H7/7 Murrayton Gallinago **Breeder/Owner** Miss J Shelley

Harvey is as yet un-shown and as this will be his first public appearance, I apologise in advance for any high spirits though misbehaviour is not excused!

What Harvey lacks in stature is more than made up in his boundless energy and hopefully quality. He has his sire's good temperament and both have lived out together for the past year (when not with mares of course!). They may be visited at home on Exmoor at any time, together with a selection of mares of wildly varying bloodlines and their offspring.

GREYSTONEGATE CONKER 470/3 4 y.o. by 21/84 Achriesgill out of H8/117 Knightoncombe Campion by H8/61 Knightoncombe Lackey **Breeder/Owner** Mr & Mrs R Taylor

Conker was born into a free living herd on Exmoor at Bluegate above Simonsbath which is 1494 feet above sea level, one of the highest free living herds. Conker will be a free-living breeding stallion.

Conker has been shown in-hand from a foal and has been placed on every outing including two local show Championships at the same show.

Exmoor Pony Champion of Hawkridge Revel 2013

Mountain & Moorland Champion Hawkridge Revel 2013

Conker has been shown at the Exmoor Pony Society Breed Show as a yearling & 2 year old and has been in the top four on both occasions.

Youngstock Champion at Dunster Show 2014

Conker has got a kind temperament but is still all stallion. Conker is very easy to handle and very amenable. Conker's sire line has Anchor and Herd 23, Moorland Kingfisher is his great grand sire. Conker's dam line has A/182 Kiwi which was one of the Knightoncombe foundation mares, also features Dazzling Boy and Clayford lines.

We are not accepting visiting mares at the present as we are using Conker of ourselves to assess the quality of his progeny. This will be reviewed in the future. Contact: 01643 831099

ANCHOR HONEYMEAD A/592 3 y.o. by A/300 Anchor Bourneville out of A/275-A Anchor Syrup by A/95-A Ice Cream. **Breeder/Owner** Mr & Mrs D Wallace

Honey is out of Anchor Syrup by Anchor Bourneville who was by the famous Kingfisher. Honey has been well handled and shown. He was first and Reserve youngstock champion and best moorbred youngstock champion at 2014 breed show, won his class at the foal show 2013. He is a very gentle natured stallion and has settled with his first mares this spring. He has had a growth spurt which alongside his first covering duties had left him lean but nothing that a bit of grass during the summer will not fix. Honey will be accepting visiting mares later this season. If anyone would like to come and see him at home or visit to see our other stallions Anchor Fee Fi Fo Fum and Anchor Gingerale do feel free to contact us 01756 730305 or via our website www.anchorxmoorponies.co.uk
